

Asim Raza

Data Engineer

 www.linkedin.com/in/asimraza3768/

 razaasim5700@gmail.com

 Gojra, Punjab, Pakistan

Professional Summary

Data Engineer building automated ETL pipelines using Python, SQL, PySpark, Spark, Databricks, AWS S3, and REST APIs, with hands-on experience in data modeling, data warehousing, data quality, automation, and troubleshooting.

EDUCATION

Virtual University of Pakistan

Bachelor of Computer Science (BSCS) | 2022 – Present

TECHNICAL SKILLS

Programming: Python, SQL

Data Engineering: ETL/ELT, Data Pipelines, Data Integration, Data Quality, Data Orchestration

Big Data: Apache Spark, PySpark, Delta Lake

Cloud & Platforms: AWS S3, Databricks, Unity Catalog, Databricks AI/BI

Data Management: Data Modeling, Dimensional Modeling, Star Schema, Data Warehousing, PostgreSQL

Engineering: REST APIs, Python Testing, Git, GitHub, Git Workflow

EXPERIENCE / PROJECTS

Job Market Intelligence Platform | Sep-2026

- Built automated REST API ingestion for 400+ listings using cursor-based pagination and S3 data landing.
- Built ETL pipelines across 3 data layers, automating 4 workflow tasks and producing 6 curated datasets.
- Implemented data quality checks across 400+ listings, validating required fields, duplicates, salaries, timestamps, remote values, and country codes.
- Implemented MERGE-based upserts and deduplication across 3 layers to maintain consistent job records.
- Performed root-cause analysis on API failures, restoring ingestion from HTTP 400 to HTTP 200 responses.

Weather Data Engineering Pipeline | Databricks, Python, PySpark | Aug 2026

- Built automated REST API pipelines across 5 cities using Python, Spark, Databricks, and Delta Lake.
- Built ETL workflows across 5 cities, transforming raw weather data into analytics-ready datasets.
- Implemented data quality validation across 5 cities, resolving integration and transformation issues before analytics.
- Designed a star schema and queried Gold Delta tables using Databricks SQL across 5 cities.

CERTIFICATIONS | 2025-2026

- **Data Engineer** — DataCamp
- **Associate Data Engineer in SQL** — DataCamp
- **Data Warehousing Concepts** — DataCamp
- **Introduction to Data Engineering** — IBM / Coursera
- **Python for Data Science, AI & Development** — IBM / Coursera
